### **ANYTHING ELSE**

I enjoy traveling and visiting as many places as I can around the world when time permits. One of my favorite activities is trying new culinary barbeque creations and many different ethnic cuisines. A music enthusiast at heart, I enjoy a wide variety of genres. I appreciate being outdoors and going on long hikes with my family. I am blessed to spend most of my time with an amazing supportive partner and two energetic children. Fun Fact— I participated in collegiate football and baseball
