Organization, Time of Service, Type of Service	Point Foundation, 2019, Reviewed applications of scholarship candidates

WACAC Assembly Delegate Application Form - 2019

Q5 My qualifications for this office:

In nearly fourteen years of work in college admission, among four institutions, California has been constant - both home or my home away from home. WACAC's people, programming and professional development have taught and grown me in more ways than I could list here, but its primary influence has placed access, equity, diversity and inclusion at the forefront of my philosophy and practice in college counseling. This lens has not only changed the daily conversations in my office, it has created a greater awareness and concern for what's happening in education at regional, state and national levels. The opportunity to represent WACAC as Assembly Delegate, impacting the educational landscape on behalf of the membership, would truly be an honor.

Q6 Goals I would set for myself in this office

- | | |
|---------|---|
| Goal 1: | Capture the voices and relay the needs of our members in California and Nevada to leaders at the national level. |
| Goal 2: | Join on-going efforts to make WACAC more accessible and useful to students and counselors in community colleges, public high schools and regions of California and Nevada that are disconnected and/or under-served. |
| Goal 3: | Advocate for process that provides access based on equity and diversity more privilege and wealth. |
-

Q7 Additional Information for the Nominating Committee

Thank you for your consideration!
