ANYTHING ELSE

I am a first-generation college student that grew up in the Inland Empire in Southern California. I set the example for my three younger sisters to pursue higher education and between us we have 4 BA's, 3 MA's, and a J.D. College admissions is a part of my family as I met my husband at a college fair! My full time job includes being stepmom to Adryan (21), Omar Jr. (19), and mama to Ezequiel (7), Joaquin (4) and our xolo dog, Zuma.
