2020 Elected Position Nomination Form

Q6 Briefly state your (nominees) qualifications for this office.

I was very active in WACAC and NACAC during the early part of my career and enjoyed serving the membership of the organization in various roles as highlighted above. Due to family responsibilities, my involvement with WACAC and NACAC had to take a backseat for a period of time. During this period, I remained active in education through serving in PTA/PTSA at my kids' schools. Through my involvement in PTA, I gained experience working with local school administrators, school board members and parents to improve local school programs and services. I think this experience has broadened my perspective on how advocacy can influence education at the local, regional and state levels. During this time, I also remained active in the profession doing independent college counseling. Three years ago, I returned to work as a college counselor at a high school and want to be more involved in WACAC and NACAC again.

Q7 Identify and briefly describe 2-3 goals you wish to accomplish. (President-elect only)

Q8 Feel free to offer additional information that will be helpful to the Governance & Nominations Committee.

In an effort to get more involved in WACAC and NACAC, I have volunteered at the conferences and presented at Share, Learn, Connect last year. I am looking for ways to start serving professionally again.

Q9 To complete the nomination process, we will need a signed Supervisor Approval form and an Electronic head shot Photo (jpeg) of the nominee/candidate for the ballot if the nominee is selected by the Governance and Nomination Committee as a candidate.
