2020 Elected Position Nomination Form

Q6 Briefly state your (nominees) qualifications for this office.

I have been in the field of admissions since 2007, and have been employed in a pretty broad variety of institutions: lower-selectivity private, highly-selective private, graduate programs and specialty programs. I think this has provided me with a unique perspective on the needs of the industry as a whole. I am eager to become involved in the national conversation around college admissions, especially as an advocate for non-traditional schools and students.

Q7 Identify and briefly describe 2-3 goals you wish to accomplish. (President-elect only)

- | | |
|---|--|
| 1 | Better understand the state and national landscape of advocacy and higher education policy. |
| 2 | Look for opportunities to build collaborative relationships between and pathways between organizations/institutions. |
| 3 | Advocate for the needs of non-traditional undergraduate students, and pathways to graduate school for those students. |

Q8 Feel free to offer additional information that will be helpful to the Governance & Nominations Committee.

I'm happy to be able to rejoin WACAC and am eager to help!

Q9 To complete the nomination process, we will need a signed Supervisor Approval form and an Electronic head shot Photo (jpeg) of the nominee/candidate for the ballot if the nominee is selected by the Governance and Nomination Committee as a candidate. To obtain the Supervisor Approval form, go to <https://www.wacac.org/forms/>.
