### **ANYTHING ELSE**

I currently live on Ohau's Windward side with my wife, who is the Director of College Counseling at Punahou School; we met in Hawai'i in 1998. I have been committed to the regional admission profession since 1998 and have enjoyed opportunities to be part of the growth of this aspect of our profession. I still root all things I grew up with in New England – all the sports teams, *lobstah* and Dunkin Donuts.
