ANYTHING ELSE

I enjoy spending time with my family...my son Beckett (13) and my wife Kesha. We are all big basketball fans but are a divided family in terms of our allegiance (Lakers and Blazers). We love to get out and enjoy local LA sporting events whenever we can (Dodgers, LAFC, Bruins, Rams, etc.) but are also happy to take a walk around Lake Balboa close to home. I have the good fortune of visiting and meeting students from Hawaii each year as part of my recruitment territory and happy to share recommendations for where to get the best mai tais ;-)
