Member of ACCIS (2017 - Present)
Member of PNACAC (2011-2013)
Involvement as a graduate student in NAFSA (2015-2017)

2020 Elected Position Nomination Form

Q6 Briefly state your (nominees) qualifications for this office.

I have extensive experience advocating for and representing constituents/students in the higher education and secondary school settings both domestically and internationally. My leadership chairing the largest SLC conferences has given me insight into both the structure of WACAC and also the needs and concerns of the populations we represent. My professional publishing, strategic communication, and event planning experience would be very valuable for a variety of committees. As a 'third culture kid' raised across the globe, I am an inquisitive, deep listener, at ease getting to know all manner of people, and genuinely interested in hearing their stories. The responsibility of representing a diverse and complex group of educators is an exciting challenge. I am eager to take on a leadership role to gain a deeper understanding of how we can better support our constituents, reach more professionals, and advance our efforts especially as they relate to access and equity issues.
