2020 Elected Position Nomination Form

Q6 Briefly state your (nominees) qualifications for this office.

As a proud member of WACAC since 2005, I have thoroughly appreciated the professional development opportunities I have had as well as the engagement with members of this organization. Having been in this profession for almost fifteen years, I have seen the tremendous growth that has occurred in higher education as well as the need for continued innovation and support of the students we serve. As a member of the admissions office at the University of Redlands, I have overseen communications, transfer recruitment, event planning, international student recruitment, enrollment strategies, professional development of staff, and worked closely with faculty as we on-board new students. As our California high school population continues to grow, WACAC's voice at the national level carries a greater purpose.

Q7 Identify and briefly describe 2-3 goals you wish to accomplish. (President-elect only)
