**Q6** Briefly state your (nominees) qualifications for this office.

As a college counselor at a public high school in a community with a wide income disparity, I have spent the last 4.5 years working with students from very diverse backgrounds. From students who were torn on which AP to take as their fourth of the year to the student worried about a lack of extracurriculars due to the need to babysit at home after school, I strive to demystify the college application process, ease student stress, and fight for access and equity for our students.

**Q7** Identify and briefly describe 2-3 goals you wish to accomplish. (President-elect only)

**Q8** Feel free to offer additional information that will be helpful to the Governance & Nominations Committee.

Up until this year my WACAC involvement has been limited to attending Share/Learn/Connect conferences, but learning about the desire to have more public school counselor involvement and my AP recently getting behind me being involved more, I am excited to expand my WACAC involvement. Please note I am currently just a member of WACAC, but will also sign up for a NACAC membership if elected for this position.

**Q9** To complete the nomination process, we will need a signed Supervisor Approval form and an Electronic head shot Photo (jpeg) of the nominee/candidate for the ballot if the nominee is selected by the Governance and Nomination Committee as a candidate.
