2020 Elected Position Nomination Form

Q5 Relevant professional organizations and experience. Please include dates in your response.

I am a member of WACAC and NACAC, and have been for over 10 years.

I was a member of LAUSD's Counselor Collaborative from 2017-19, where we created a series of trainings to be held throughout the year for both beginner and veteran counselors.

I am currently on Counselor Advisory Boards for Woodbury University, UPenn, and CSULA's Honors College.

Unofficially, I have been asked to mentor new college counselors across the district, and have appeared in several newspaper articles and documentaries about college access, the latest being "Under Pressure", a PBS special on college admissions.

Q6 Briefly state your (nominees) qualifications for this office.

I have been a counselor since 2000, and specifically a college counselor since 2005. I continuously seek out opportunities to visit colleges and attend conferences, whenever I can afford them. I would like to get more involved with the government of the associations that I have been a member of for as long as I've been a counselor. I am able to speak about the needs of low income first generation high school students of color that I work with everyday, as well as the conditions that public school counselors have to work under. The ACACs as well as our National Association are run almost exclusively by college and private school counselors and I understand why, but whenever possible, there needs to be more public school voices to speak for where the majority of college students come from.

Q7 Identify and briefly describe 2-3 goals you wish to accomplish. (President-elect only)

Q8 Feel free to offer additional information that will be helpful to the Governance & Nominations Committee.

I have been fortunate to work under Principals who support my need for professional development and involvement in my local and national organizations. This is the third time I am attempting to run for a delegate position. Maybe the third time will be the charm.

Q9 To complete the nomination process, we will need a signed Supervisor Approval form and an Electronic head shot Photo (jpeg) of the nominee/candidate for the ballot if the nominee is selected by the Governance and Nomination Committee as a candidate. To obtain the Supervisor Approval form, go to <https://www.wacac.org/forms/>.
