2020 Elected Position Nomination Form

Q6 Briefly state your (nominees) qualifications for this office.

I have almost 10 years of professional experience working at both public and private universities and have spent nearly 7 years working specifically with students on the west coast from my home office in San Diego. Establishing California offices for two institutions has allowed me to travel extensively in the state and get to know the excitement and anxieties students in California and Nevada face as they consider their educational futures. I have been able to see first-hand how providing college opportunities outside of the west coast not only benefits students looking for a new experience but also enriches the institutions at which they enroll, as they bring their unique perspectives and passions to campus. Representing a public institution with qualified admission criteria and a private, mission-driven institution with a test-optional admission policy has allowed me to serve students with a wide variety of different backgrounds and develop relationships with high school and independent counselors across the region. Additionally, as a regional representative, I am part of a growing population of professionals supporting Californians attending universities outside of their home state.

Q7 Identify and briefly describe 2-3 goals you wish to accomplish. (President-elect only)

Respondent skipped this question

Q8 Feel free to offer additional information that will be helpful to the Governance & Nominations Committee.

Why am I interested? I've really enjoyed serving WACAC the past few years through involvement with the conference committee. I would love to build on my experience at the WACAC Leadership Development Institute and give back as a NACAC Assembly Delegate so that the voices of California and Nevada constituents are heard and well represented within our national organization.

Q9 To complete the nomination process, we will need a signed Supervisor Approval form and an Electronic head shot Photo (jpeg) of the nominee/candidate for the ballot if the nominee is selected by the Governance and Nomination Committee as a candidate. To obtain the Supervisor Approval form, go to <https://www.wacac.org/forms/>. Contact Marc McGee with further questions - Marc McGee, Nominations Chair and Immediate Past-President California State University Maritime Academymmcgee@csum.edu Office- 707-654-1331 Cell - 707-246-8200
