Q6 Briefly state your (nominees) qualifications for this office.

My qualifications for this office include my 8 years of professional experience serving alongside public school counselors during my tenure at the College Board. I served public school counselors around College Board assessment implementation in more than 50 school districts across the state of California including, Los Angeles Unified School District, San Diego Unified School District, San Jose Unified School District, Oakland Unified School District, and West Contra Costa Unified School District. This service including supporting school counselors with stakeholder engagement priorities (parents, faculty, students) related to the assessments, data uses, and data implications. Additionally, I had the privilege of completing my doctoral dissertation by conducting a program analysis on the WACAC District Directions Program. The research and findings have been published and are available from ProQuest Dissertations & Theses Global: The Humanities and Social Sciences Collection.
