

IMPORTANT INFORMATION FOR EXHIBITORS

- Setup will take place any time between 9 AM and 2 PM on Tuesday, April 12th. Exhibitors may break down booths any time after 12 PM on Thursday, April 14th. WACAC volunteers will be on site to check you in, show you to your table, and assist with any setup.
- The Exhibitor registration fee of \$1100 includes a table, two chairs, and one (1) WACAC conference registration. One additional exhibitor registration may be purchased at a reduced rate of \$175. All additional exhibitor registrations may be purchased at the full conference rate.
- StriveScan will be providing lead retrieval services at an additional cost. Details regarding that offering will be made available as soon as possible.
- The Long Beach Convention Center is not able to receive shipped materials. Please have your exhibitor materials shipped directly to your hotel.
- A full list of conference attendees who have agreed to allow WACAC to share their contact information will be available at an additional cost. By purchasing the attendees list, you agree to limit your outreach to two (2) instances. You may buy the attendees list either during or after conference registration. For purchase details, please contact Chris O’Sullivan, Exhibitor Chair. The attendees list will be provided after the event.
- Individual tables will not have power, but outlets are available throughout the space. If you have power needs that exceed the charging of personal devices, please plan to bring an extension cord and notify the Exhibitor Chair for planning purposes.
- COVID safety protocols will mirror those of the City of Long Beach. Information regarding WACAC Annual Conference COVID policies may be viewed [here](#).
